IMPACT SENSOR

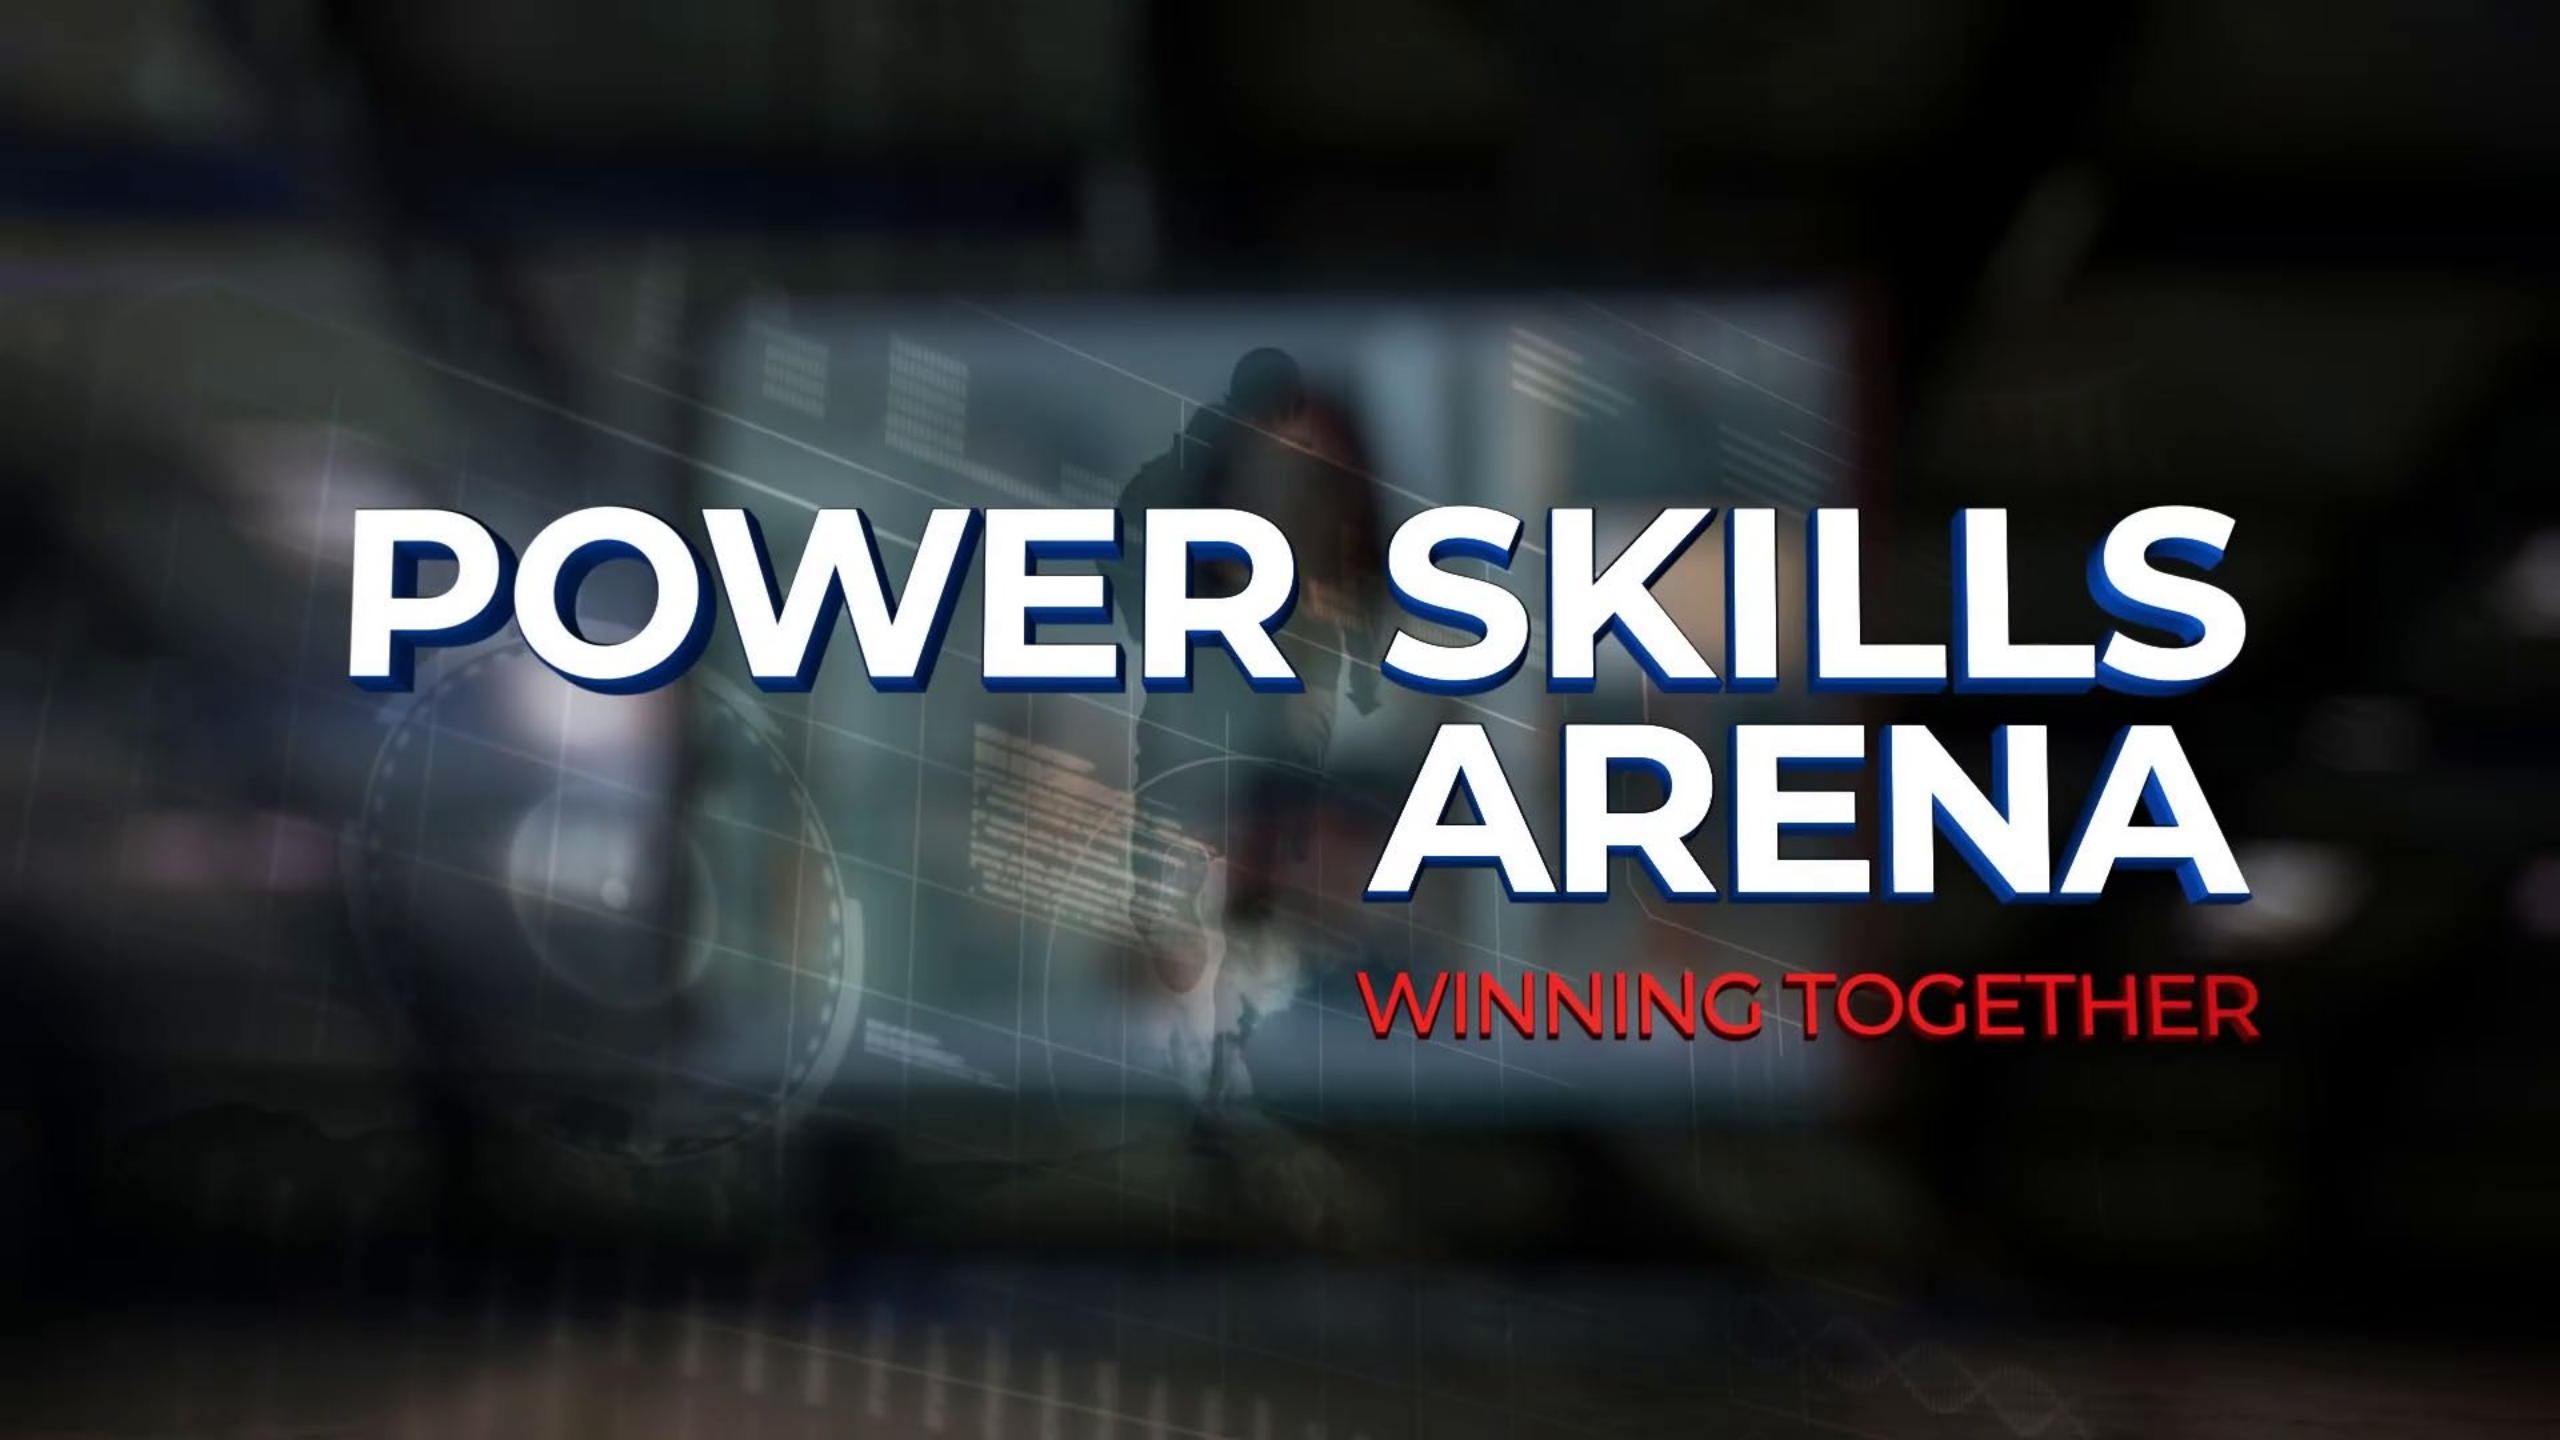

Triaxial accelerometer captures impact location in real-time

DATA CAPTURED

-  Impact Location
-  Impact Force
-  Vibration Dampening
-  Shot Analytics

L'errore è un dato

The background is a dark, blurred image featuring a person in the center, possibly working on a computer. Overlaid on this are various digital elements: a grid pattern, a circular radar-like graphic on the left, and some faint text or code snippets. The overall aesthetic is high-tech and professional.
